to start your
career in the
Australian
Public Service
at Treasury

Graduate Development Program

Treasury is the Australian Government's lead economic adviser. As a Treasury graduate you will work on policies that impact the department and the Australian economic landscape. You will get to work with and learn from experts.

If you have studied economics, econometrics or completed a related degree with a major or minor in economics, we want to hear from you.

Apply now for Treasury's Graduate Development Program.
