

Australian Government
The Treasury

graduate development program

“

There's a lot of learning opportunities, both formal and informal, but certainly a lot of opportunity to grow.

Athan
Treasury Graduate

”

Our 2 year Graduate Development Program will give you access to:

- face to face learning and development – including development workshops
- competitive starting salary + 15.4% superannuation
- flexible working arrangements, including work from home and flex-time
- a workplace which celebrates and recognises the backgrounds, beliefs and experiences of all staff
- a \$600 Annual Lifestyle Contribution allowance
- career progression as your capability develops
- unique networking experiences and events
- relocation assistance for eligible graduates

Open to all university students who have graduated within the last 5 years – start your career at Treasury.
